

August Bridge the Summer Gap!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 Make a beaded bracelet or necklace that follows a color pattern.	2 Visit a local library and check out books about going back to school.	3 Measure out nuts, raisins, and pretzels to make trail mix.	4 Visit a pet store and learn about how to care for different kinds of pets.	5 Practice counting by twos with cereal pieces, popcorn, or other small snacks.	6 Press shapes out of cookie dough and name each shape!	7 Do a puzzle with your family.
8 Decorate bikes for a family Fourth of July parade!	9 Read your favorite book and act it out!	10 Help a parent make a batch of cookies by measuring the ingredients yourself!	11 Draw a picture of your favorite animal. Write the animal's name and share a fact about it.	12 Visit a local library and check out books. Set aside a time to read each day.	13 Collect shells or rocks and sort them by shape, size, or color.	14 Take a trip to the zoo!
15 Pack a lunch with foods from each food group and go on a picnic. Discuss which foods are in each group.	16 Make a lemonade stand! Mix your own lemonade recipe and make signs to advertise it!	17 Put on a puppet show to retell your favorite story!	18 Draw a map of your street.	19 Visit an art museum and draw a picture that is inspired by your favorite work of art.	20 Practice naming the letters of the alphabet or making words with alphabet cards.	21 Plant a vegetable garden. Count how many seeds you planted. Measure the plants each day.
22 Use rubber stamps or stickers to make a book of patterns.	23 Play a game of checkers or chess to build strategic thinking.	24 Make a family tree.	25 Write a letter to one of your classmates whom you haven't seen all summer!	26 Make a travel poster to advertise your favorite summer vacation spot.	27 Sort a deck of cards by number or by suit.	28 Learn to play a new sport.
29 Use sidewalk chalk to practice writing letters, numbers, or words.	30 Paint a picture of a character from your favorite book.	31 Go on a nature walk and make a list of the living things you see.
